Student Agreement and Signature

By signing below, I confirm that the information I have provided is true and correct. I understand and agree to the following:

- This is a waiver of tuition. Registration fees, lab fees, lab kits, art supplies, textbooks and other special costs are my responsibility.
- Tuition waivers cannot be applied retroactively and will not be issued if my student account has an outstanding balance of \$500 or higher.
- If I **do not** pass 2/3 of my credits **and do not** achieve a GPA of 2.0 ("C") in this current semester, I will not receive a waiver for the next semester I take classes. Instead, I am responsible for the cost (personally and/or through scholarships or federal financial aid). However, after one successful semester of taking classes without utilizing the tuition waiver, I can apply for a waiver again.

I give Iñisaġvik College permission to use my name and image in marketing materials related to the Tuition Waiver program.
